

WOMAN'S BACKACHE

The back is the mainspring of woman's organism. It quickly calls attention to trouble by aching. It tells, with other symptoms, such as nervousness, headache, pains in the loins, weight in the lower part of the body, that a woman's feminine organism needs immediate attention. In such cases the one sure remedy which speedily removes the cause, and restores the feminine organism to a healthy, normal condition is

LYDIA E. PINKHAM'S VEGETABLE COMPOUND
Mrs. Will Young, of 6 Columbia Ave., Rockland, Me., says:
"I was troubled for a long time with dreadful backaches and a pain in my side, and was miserable in every way. I doctored until I was discouraged and thought I would never get well. I read what Lydia E. Pinkham's Vegetable Compound had done for others and decided to try it; after taking three bottles I can truly say that I never felt so well in my life."

Mrs. Augustus Lyon, of East Earl, Pa., writes to Mrs. Pinkham:
"I had very severe backaches, and pressing-down pains. I could not sleep, and had no appetite. Lydia E. Pinkham's Vegetable Compound cured me and made me feel like a new woman."

FACTS FOR SICK WOMEN.
For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

TAFT AND SHERMAN REPUBLICAN TICKET

(Continued from First Page.)

the South, of course, with the single exception of Col. Andrew Cowan, of Kentucky, opposed to it to a man. Had it passed the allies would have had the poor satisfaction of having induced the party to register its rebuke of the methods to which Mr. Taft will owe his nomination and the somewhat more practical satisfaction of preventing the employment of such means in the future.

Wilson Turns Trick.

That the allies were again defeated is due not so much to the working of the steam roller, although the thirty-eight votes cast by Ohio against the resolution resulted in its defeat, as to the fact that the holy rollers found an uncounted-on but powerful instrument in Gov. Willson, of Kentucky, whose speech against the resolution, on the ground that if adopted it would deliver the control of the Republican party into the power of eight states, and would make the party more sectional even than it has charged the Democratic party with being, was easily the strongest and most effective argument delivered in opposition.

The Taft managers, in order fully to conserve the interests of their candidate, early in the day Thursday placed on the floor of the convention, but not in the capacity of either delegates or alternates, a number of the most prominent men in the party who are attached to the Taft candidacy. The duty of these men was to watch the work of the opposition candidates and promptly to head off any possible defection of strength and to hasten all accessions.

Cannon, Fairbanks, Knox, La Follette and Taft were placed in nomination. The first ballot resulted, Taft 702, Hughes 67, Cannon, 58, Fairbanks 40, Knox 68, La Follette 25, Foraker 16. Necessary to nominate 491. Taft's nomination was made unanimous.

The convention then adjourned until 10 o'clock Friday morning, the platform having been adopted as Taft wanted it. Taft will probably be permitted to choose his running mate.

It is announced in Washington that Secretary Taft's resignation as a Cabinet officer will be received by President Roosevelt, and that it will take effect on July 1.

THOMAS J. RYAN

Dies After Illness of Several Weeks.

Thomas J. Ryan, a well known citizen, died Wednesday night at his home on North Virginia street, after an illness of several weeks, of uraemic poisoning. He was 64 years old and for many years was engaged in farming. For some years he was toll-gate keeper at The Square, on the Clarksville pike and he moved from that place to this city. Mr. Ryan had been paralyzed in his lower limbs for twenty years and his only way of getting around from place to place was by means of a rolling chair which he propelled with his hands. He is survived by his widow and three daughters, two of whom reside in Chicago and the other in Nashville.

The interment took place in Riverside cemetery Thursday afternoon.

New Ruling.

Registered mail specifically addressed must in the future be secured by the person to whom it is addressed and no other. You cannot send an employee or a member of your family after such a letter or parcel, nor can any such be received at the house or the office. A father cannot touch the mail of his son or daughter, if thus safeguarded, nor has the postmaster authority to turn them over. There has been a laxity about this heretofore that has caused general complaint.

MUCH INTEREST

In State Fair Children's Department.

The announcement of a Children's Department at the State Fair for the display of the work of the school boys and girls of Tennessee and the stimulation of a healthy competition, has created a great deal of interest among the school children and the educators of the State and an excellent showing is promised.

Mr. D. Moore Andrews, who has charge of this work, is a manual training expert and has charge of this branch in the Nashville Public Schools. He knows how to encourage young people to learn to do things with their hands as well as with their heads and he is giving to the State Fair the benefit of his wide experience. It is the intention of the Fair management, if this department proves successful, to erect a Children's Building in time for 1909. A liberal prize is offered this year for such a plan to be submitted by a boy or girl.

GAINES SUIT SETTLED.

Agreed Judgment of \$250 and Costs.

Lawrenceburg, Ky., June 18.—The statement in the Evening Post concerning the Gaines libel against the Kentucky State Journal, W. P. Walton and Percy Haly was incorrect. Gaines did not dismiss the suit. The following order was entered in the case:

Anderson Circuit Court, Noel Gaines vs. Ky. Journal Pub. Co., W. P. Walton and Percy Haly, Judgment. By agreement of the parties hereto, as well as their counsel, it is ordered and adjudged that the plaintiff, Noel Gaines, do recover of the defendant, Kentucky Journal Publishing Company, W. P. Walton and Percy Haly, jointly, the sum of two hundred and fifty dollars and the costs herein expended, for which execution may issue. Then came John W. Ray and George A. Williams, attorneys for plaintiff, and acknowledged receipt for the principal sum of two hundred and fifty dollars and enters satisfaction to that extent.

Messrs. Walton and Haly paid an agreed judgment of \$250 and costs.

Both sides said they were satisfied. Mr. Gaines said he only wanted vindication.

IS HE DEAD?

Nothing Heard From John Heath for Three Months.

John Heath, who went to Oklahoma last winter shortly after having been visited by night riders at Dawson, has not been heard from by his family and friends in this county for the past three months, and it is feared that he is dead. A report has been current that he was killed in a cyclone that passed over some parts of Oklahoma several weeks ago, but this report has not been confirmed. His mother, Mrs. Emaline Heath, lives four miles west of Cadiz, and is very much worried because she has been unable to hear from him, and her idea is that he is dead. Mr. Heath was born and reared in Trigg county, but for several years past had made his home in Hopkinsville, until a short time ago when he went to Dawson.—Cadiz Record.
